

Latest return to sport update - 10/7/20

We have some very exciting news!

Yesterday, the government announced that we would see the return of indoor and outdoor recreational and team sports by the end of the month. This is huge news for us and our loyal customers, as we will be able to return to near normal operation again very soon.

When can I book a badminton court or return to 5-a-side football, I hear you say...

Please bear with us whilst we await the imminent guidance from each sporting governing body. Once we have this, we should be in a position to let you know the dates in which facilities will be available from and will open the system for bookings.

We'll update you as soon as we can.
